**A reminder to our readers who use the community mail box, across the highway from the fire hall / station, that Canada Post is responsible for all maintenance and upkeep in the area of the mail boxes. The UCFD owns the land but under agreement with Canada Post they look after the access to and around the boxes. Any questions or concerns should be directed to Canada Post, not UCFD.**

## **MUSIC JAM SESSIONS**

The expansion of our Fire Station is progressing very well. Wall painting is complete, door and window trim work is almost complete and we just completed a detailed spring cleaning of both the hall and station. In next month's SIREN I will present more information about this great public safety asset to our community.

**Are you burning dry & seasoned firewood?  
Do you have working fire extinguishers in your home
