

## U.C.F.D. Community "SIREN"

Unfortunately the U.C.F.D must stop our CHASE THE ACE lottery. Our attempt to try another style of fundraiser was not successful for the department, but very much so for several winners. We would like to thank all the people from the community who supported us in the effort.

---

The department was looking for a projector donation last month and Dr. K Computer Clinic of Broad Cove was able to help us. Dean Karkling, (778)688-9761, was very generous with his donation of the gently used projector, saving us several hundred dollars and enhancing our firefighter training ability.
