MUSIC JAM SESSIONS

Various Local Artists Will Play for About 3 Hours, Starts at 7 pm, Admission \$ 2.00

At intermission a lunch of sandwiches and sweets are generously provided by people attending the Jam. (feel free to bring something to add to the lunch) Come out to enjoy local musicians having fun entertaining local people.

Need a Little Computer First Aid?

Dean Karkling of the Dr.K Computer Clinic in Broad Cove will be conducting group tutoring classes at the fire hall every second Friday. The 90-minute class will be geared towards seniors & beginners using windows based devices, but everyone is welcome to attend. The cost will be \$10 per person, with half of all proceeds going to the Fire department. Don't forget to bring your laptop or tablet!
Call (902)935-2053 or Email: drkcomputers@eastlink.ca for more info.

911 CIVIC NUMBERS SIGNS

Every dwelling and business in the Municipality has or should have a civic number. This civic number is the identification number that emergency response providers use to locate your property. When a call is placed to 911 or an emergency response provider, the dispatcher is at most times automatically aware of your civic number, as the number is linked to the phone number (unless there is no phone, or the caller is using a cell phone). Emergency response providers rely on you as a homeowner or business, to post a civic number as this enables the emergency vehicle driver to locate your property. The failure to post a civic number may mean the difference between life and death. This has happened several time in our community! Every second counts, so don't have us waste time looking for a sign that is not there or in the wrong place!

As of September 1, 2013, a civic address bylaw has taken effect. This bylaw makes it mandatory to post all civic number and private road name signs. The new **Civic Addressing By-law** addresses general issues such as who assigns civic numbers, how they are issued, and naming or changing of road names. The by-law provide standards on where and how you should locate civic numbers and private road name signs.

www.modl.ca gives clear info on where to place your civic sign.

There are still many homes (both year round and summer residents) that do not have a civic number sign or one made or posted correctly. If you need a sign for your home there are several business in Bridgewater (and other locations) who sell the signs at a reasonable prices. Our fire department also makes them at the station at no charge (but maybe a small donation). If you need a sign made for your property in the United Communities or any additional info please call the Deputy Fire Chief Steve Teal 902-935-2100
