The UCFD bottle drive was a big success. I would like to thank the United Communities for their contributions. You can still drop them off at the fire hall at any time

Wildfire Risk Season runs from 5 March to 15 October and although it is officially over I would request you still use caution when burning.

Restrictions can be found at [NovaScotia.ca](http://NovaScotia.ca) or by County at 1 855 564-2876(burn). **Thank you for keeping the United Communities safe.**

Two contributors to the Cherry Hill Fun Run were left off the previous list. My apologies:
