

# SIREN

## United Communities Fire Department

7897 Highway 331 Cherry Hill  
UCFD.CA

Good Day to all of you in our United Communities. I trust this Siren finds you and your loved ones healthy. Our never seen before summer of 2020 has come to a close as we move into fall.

Comfort Station: due to the lifting of restrictions by the provincial government on numbers of people in gatherings the United Communities Fire Department will be available as a comfort station during a power outage in or community of duration greater than four hours. Face masks and social distancing guidelines will be followed

The United Communities Fire Department Annual General Meeting (AGM), usually held in May of each year, was postponed with direction from the Municipality that it be pushed to later in the year. The latest direction indicated we have our AGM no later than April 2021. To that end our AGM will be held on Tuesday the 6<sup>th</sup> of April 2021. The meeting will cover both 2019 and 2020.

The United Communities volunteer firefighters are back to holding meetings, practices and maintenance nights on the first 4 Mondays of each month. If you would like to see how we operate or are interested in joining the department, please drop in. There is an overview of recruiting on our website at UCFD.CA.

Please check the provincial burning website at <http://novascotia.ca/burnsafe> for direction. Please ensure you take precautions if you are entitled to burn.

Larry Blackler  
Fire Chief
