Good day to all of you in our United Communities. It is that time of year again as the schools are open. Please watch out for the young ones as they sometimes do not pay attention, and look after yourselves.

The United Communities Fire Department has launched a new facebook page which can be found here: [United Communities Fire Department | Facebook](https://www.facebook.com/UCFDCA) 100084381421374. We are attempting to be more up to date with our communications. We will use this platform to get more information to the community in a timely manner and at the same time do away with the SIREN. Most of the information posted in the SIREN will be available on our facebook page. For those of you who would still like to get the siren please drop off the request at larry.blackler@gmail.com. The SIREN will still be distributed for the near future.

Burning restrictions are in effect, please check the following website prior to burning. Novascotia.ca/burnsafe. When our county has a no burn restriction, this includes burn pits, chiminea and fire works. Thank you for doing your part in keeping our community safe.,.
