The Vial of Life program assists emergency personnel in obtaining important medical information during an emergency in the home. Paramedics and other emergency personnel will look for the Vial of Life sticker on the refrigerator. Residents of the United Communities can pick up a Vial of Life package at Bridgewater Police Service, at 45 Exhibition Drive in Bridgewater. Their office is open to the public 24/7. For more information please contact the Lunenburg County Seniors' Safety Coordinator, Lisa Bennett at 902-543-3567 or lisa.bennett@bridgewaterpolice.ca

New Equipment: UCFD is in the process of getting internet to the fire hall. It should be in by the end of January. We are also purchasing a hot water heater that will allow us to have hot water even during a power outage. We are also upgrading our sound system.

If you would like to take in a meeting at the fire hall, we have our monthly meeting the first Monday of the month with training and maintenance the next three Mondays. It takes place at 6:30 pm and we would be pleased to have you attend at any of these times.

Burning Restrictions: On October the 15th the burning restrictions will be lifted until the 15th of April. Please take all precautions when planning a burn and let your neighbors know. This website will give you any pertinent information on burning: <http://novascotia.ca>burnsafe>. Please have proper extinguishing materials on hand while burning and take the wind into consideration if you are going to burn. Thank you all for following the guidelines and keeping our communities safe.

Fire Fighter 50/50. United Communities Fire Department has joined a Fire Fighter lotto. Our quarterly earnings netted the Fire Department approximately \$3100.00. Your participation is very much appreciated as a portion of your ticket sales is automatically redirected to the UCFD. Good luck to you all.
